Candidate Forum

The Independent American Patriots is holding the first of a series of candidate forums for independent or third-party candidates who are running for office.

The Independent American Patriots would like to offer all independent and third-party candidates an opportunity to participate in a virtual forum to give them an opportunity to get in front of we the people.

We invite interested candidates running for office in the 2023 election season, throughout the United States to consider participating in the event on September 13th 2023. Please contact us if you are interested in participating in this national forum where we will ask registered candidates to answer questions about the principles of good governance and the founding principles enshrined in the National Monument to the Forefathers.

Your forum may be live and will be recorded and will be put on our you tube page and social media's. No questions for the live/recorded forum will be provided in advance. We will prove all participants with links to share to help them in their campaign.
